

# Musical Theatre Vocal Class

---

The Musical Theatre Vocal Class is open to students with previous vocal experience in private lessons, choir, or beginning-level voice classes. Students ages 10-18 yrs old may register for the class.

Musical Theatre Vocal Class is taught by an AMI Voice Faculty teacher with ample musical theatre performance and singing experience. Repertoire includes music from some of the most popular shows, and includes vocal technique used specifically in musical theatre. This class gives students a good basis to musical theatre knowledge, repertoire and technique. Additionally, students sing individually, as a group (chorus), and in duets—thus giving students experience working with other singers.

Class curriculum includes the following objectives:

- Formulation of proper posture and position
- Foundations of breathing / breathe technique
- Solo & Chorus Singing Skills
- Knowledge of basic vocal exercises
- Musical Theatre Repertoire Practice

This class is designed to help singers prepare for musical theatre auditions, shows they are performing in, or to explore the world of musical theatre in conjunction with classical vocal performance.
